WHO IS MAD TAB...

Mad Tab is a dynamic punk rock, ska, (and sometimes rocksteady) band hailing from the vibrant music scene of Huntington Beach, CA. With their upcoming 5th music release, "Alas, The Bomb Voyage," they continue to showcase their unique blend of genres, captivating audiences.

Having previously released 2 EPs and 2 full-length records, Mad Tab has established themselves as seasoned musicians... But their talents don't stop at music. They've delved into the world of entrepreneurship with MTA Printing, their own merch printing company, MTA Films, where they've produced the engaging series "Work & Pressure," featuring prominent artists like The Aggrolites, The Expanders, Leftover Crack, The Slackers; and have created a media, production, and marketing agency, OPB Productions, in which they produce their own shows, all the content surrounding them, and are bringing back what punk rock once was in the 1980's - 1990's Orange County punk and counter culture scene.

Drawing inspiration from iconic bands such as Bad Brains, Face to Face, Minor Threat, The Offspring, The Specials, and The Aggrolites, Mad Tab delivers a captivating sound that speaks to the heart of punk and ska enthusiasts alike.

Their live shows are a sight to behold, with Mad Tab bringing a powerful, enthusiastic energy to the stage. Audiences can expect an exhilarating experience, filled with infectious rhythms and an unmistakable passion for their craft.

With 4 exciting new singles "All Live", "Evil", "When The Man Comes Around", and "Loose Teeth" released, Mad Tab is quickly making their mark in the current punk rock scene. As they prepare for an eventful and promising 2024 and beyond, they are looking to share their infectious tunes with even more enthusiastic audiences.

Step into the world of Mad Tab, where varying styles of punk rock, sprinkled in Ska, and (currently) rare bouts of rocksteady intertwine to create an unforgettable musical journey (Punk Rawk Steady). Get ready to embrace the vibrant spirit and artistic prowess of this eclectic band.
